

Hello, Greg, how are you?

I'm fine, Tom. How are you?

I'm good. So, Greg, what job do you want to have when you are older?

Well, I think that I would really like to be a teacher. Why?

Well, I really like young people and I think I could help them learn. How about you, Tom?

Greg, I would love to be a cleaner!

A cleaner!?! But most people don't want that job.

I don't know, Greg, I just love cleaning.

But it's so dirty, Tom!

I don't care, Greg! I have to clean!

Ok, Tom. Bye.

Bye, Greg.
